

## Compulsory

Are you happy?

Are you healthy?

As a person, are you consistent?

Compared to the people around you, are you more, less, or equally happy?

Compared to the people around you, are you more, less, or equally healthy?

How old are you?

How much do you earn each month on average? (I'm sorry the only currency available for now is euro, please make the conversion)

What quality of life would you ideally like to have?

How much is your estate worth? (property, savings, shares, etc.) Please respond in digits only.

Do you work? (I mean work in the broad sense: an activity – not necessary paid – to which you dedicate a lot of your time)

What activities do you engage in (including your work)?

If you work, what is your occupation, or in which sector do you work?

Do you like your work?

How many hours do you work per week? (Please respond in digits only).

Does your work cause you suffering?

If yes, is it unrelated to or due to the tasks that you are required to complete?

How many hours per week do you need to complete the tasks required for your work?

In your current occupation, how many hours per week would you ideally like to work? You get to keep your current salary. (You can reply 0)

Imagine that your salary is directly linked to the number of hours you work. Keeping your current occupation, how many hours per week would you like to work?

Imagine that your current occupation has a salary that allows you the quality of life you'd ideally like to have. How many hours a week would you work? (You can reply 0)

Would you prefer to have an(other) occupation, even if it meant getting the necessary qualifications or training?

If yes, do you know what sort of occupation you'd like to have?

If yes, what is it? Let's call it your dream job.

Imagine you have your dream job, but your current salary doesn't change. How many hours a week would you work?

Imagine you have your dream job, but you get paid by the hour, and you receive the median UK hourly wage (about £11/hour). How many hours a week would you work?

Imagine you have your dream job, but it has a salary that permits you the quality of life you said you'd ideally like to have. How many hours a week would you work?

Imagine you have your dream job, but you receive an average salary for your country (that's about £1750/month after tax in the UK). How many hours a week would you work?

How many hours' work have you done over the course of your life? Don't count studying.

If you're too lazy to calculate this figure yourself, please fill these fields:

number of years in work

average number of weeks of holiday each working year:

average number of hours you worked each working week:

Is your current salary enough for you?

Which material comforts could you not do without?  
Where do you live?  
What is your post code?  
How many people (approximately) live in your current hometown? (Please respond in digits only).  
What is your marital status ?  
How many children do you have?  
How many children would you have liked to have over the course of your life?  
How many children would you like to have over the course of your life?  
What is your level of schooling? (or the level that you plan to attain, if you're still a student)  
Which of the following qualifications do you have?  
Would you be prepared to do 5 hours of voluntary work per week for a humanitarian or social cause?  
Would you be prepared to devote a year of your life to volunteer for a humanitarian or social cause?  
What makes you happy?  
What makes you unhappy?  
What political measures, however small, would make people happier (without harming others)?  
What political measures, however small, would make you happier?  
Would you prefer the government to take measures to reduce the number of very unhappy people, or to increase the number of people who are quite happy?

### **About you**

Approximately, what percentage of your thoughts fall into to the following categories?  
concentrating on actions and movement:

feelings, emotions

memorizing, remembering, recalling information:

imagination

reasoning

passive attention (listening, observation...):

Are you in need of help or support?

Are you in need of help or support?

Do you get on well with the people you live with ?

Do you live with the people you want to live with ?

How many people do you live with ?

Have you often experienced violence ?

Have you often experienced being hated?

Have you often experienced being mocked

Have you often experienced being admired ?

Are you rich?

What are you doing tomorrow?

What principles would you be prepared to die for?

What do you value most in a person?

Are you satisfied with your life?

Are you happy in yourself?

Have you ever been in love?

Do you regularly remove your body hair ?  
 How often do you listen to music ?  
 What sort of music do you listen to?  
 In front of whom do you refuse to fart?  
 Do you often remember your dreams ?  
 Do you like coca-cola ?  
 How many minutes each day do you spend watching television?  
 What sort of television programmes do you watch ?  
 How often do you read?  
 What do you read ?  
 Which drugs do you take, and how often ?  
 Do you have any complexes or hang-ups ?  
 What disgusts you ?  
 Is there one luxury that you can't live without ?  
 Would you like to be better educated ?  
 Do you enjoy your work?  
 Does your work make you unhappy?  
 What's the best thing that could happen to you today ?  
 Think of all the places you've been to over the course of your life. In kilometres, what's  
 the distance between the two places that are farthest apart?  
 On average, how many hours' sleep do you get each night ?  
 Do you get enough sleep ?  
 Have you ever volunteered for a humanitarian or social cause??  
 Do you identify most with your hometown, your region, your country, your  
 continent/macro-region, or the whole world?  
 How would you describe yourself?  
 Do you know yourself well?  
 Do you know yourself \_\_\_\_\_ other people know you?  
 Do you feel that most people wish you well?  
 What do you eat?  
 Are you afraid of dying?  
 Are you afraid of ageing?  
 Would you like to live to a hundred?  
 Would you like to live to 50?  
 Would you like to live to 75?  
 Have you ever taken steps (even mentally) to commit suicide?  
 Have you ever killed someone?  
 Do you attach a lot of importance to physical appearance?  
 Think of all the places you've been to over the course of your life. In kilometres, what's  
 the distance between the two places that are farthest apart?  
 When did you last hear the word "poo"?

### **Opinions**

Do you think that all humans should have guaranteed access to food, drinking water,  
 healthcare, education, and security?  
 If not, why not?

Do you think that all humans (including children) should be granted a basic income (in addition to their other incomes), based on the minimum needed to survive in their respective regions? (in UK, £480/month).

Are you in favour of equalizing living standards across the globe?

Are you in favour of establishing a maximum income per person, worldwide?

Would you be prepared to promise to acquire no more than £8 million over the course of your life?

Make a wish

Make a practical, precise wish

Make a wish that humankind would agree to fulfil (if we explained the reasons behind your wish)

Write something that everybody would agree with

Do you have practical, precise ideas about how we can change the world?

If yes, what are they?

Do you think your country is the best?

Would you like to see more cooperation between nations ?

Are you in favour of establishing a world democracy?

Would you like to give your opinion in important political decisions?

Are you politically engaged, or are you indifferent to public affairs?

Do you think there should be more referendums on important political decisions?

Would you like to see humankind unite to combat climate change?

Are you satisfied with your country's political institutions?

Are you satisfied with political institutions the world over?

Are you satisfied with the way in which your country is governed ?

Can you appreciate an individual regardless of their nationality?

Can you appreciate an individual regardless of their ethnicity?

Can you appreciate an individual regardless of their religious beliefs?

Can you appreciate an individual regardless of their political beliefs?

Do you dislike a particular group of individuals in this world?

Do you feel grateful to the society in which you live?

Has society given you more than you've given others?

Do you feel that society watches out for you?

Do you think that increasing GDP is important?

Do you believe that your consciousness, or soul, lives on after death ?

Do you believe that everything is connected?

Do you think people should be less jealous?

Do you think people complain too much?

Do you think people don't complain enough?

Did you enjoy school?

Do you feel excluded by society?

Does wealth and luxury particularly appeal to you?

Do you want to act to make the world a better place for its inhabitants?

Do you prefer to guide or to be guided?

If you had the necessary means, which problems affecting the whole world would you like to resolve, in order of priority?

If you could change just one thing about the world, what would it be?

Are you anti-war ?

Do you think that in certain conflicts, war is necessary?

Are you pro-slavery?

Do you believe that speech is performative?

What do you think of new technology and the digital age?  
What do you think of scientific progress?  
What do you think of the Western world ?  
Should we allow or forbid people to put their feet on the seats in public transport?

### **Sexuality**

Do you think that people should have sex more often and with more people?  
When did you last dream about sex?  
When did you last have sexual relations with another person?  
When did you last masturbate?  
When did you last watch pornography?  
When did you last have an orgasm?  
When you have sex, is it important that your partner has an orgasm?  
Would you like to make love every day?  
Do you have any unfulfilled sexual fantasies?  
Do you prefer to have sex in the dark, with the lights on, or in the half-light?  
Are you good in bed?  
Would you refuse to have a threesome, no matter who with?  
Would you like to have a threesome?  
Have you ever had a threesome?  
Would you refuse to take part in an orgy?  
Would you take part in a world orgy?  
Have you ever had a homosexual experience?  
How often do you get aroused without any tactile/visual stimulation?  
What is your sexual orientation?  
How many sexual partners have you had over the course of your life?  
During sex, do women experience more pleasure than men?  
During orgasm, do women experience more pleasure than men?  
Do other people's naked bodies unsettle you?  
Do you practice anal sex?  
Have you ever had sex with an unknown person?

### **Are you ...?**

Are you intelligent?  
Are you attractive?  
Are you satisfied with your sex life?  
Are you joyful?  
Are you sad?  
Are you apathetic?  
Are you empathetic?  
Are you nice?  
Are you shy?  
Are you talkative?  
Are you nasty?  
Are you purple?  
Are you calculating?

Are you good at maths?  
Are you funny?  
Are you good at dancing?  
Are you deluded?  
Are you superficial?  
Are you a hypocrite?  
Are you ironic?  
Are you complex?  
Are you critical?  
Are you poetic?  
Are you lazy?  
Are you paranoid?  
Are you eccentric?  
Are you credible?  
Are you obese?  
Are you on edge?  
Are you superstitious?  
Are you a perfectionist?  
Are you anorexic?  
Are you anxious?  
Are you obsessive?  
Are you tired?  
Are you psychotic?  
Are you a pervert?  
Are you sensitive?  
Are you sensitive to art?  
Are you free?  
Are you hysterical?  
Are you holistic?  
Are you satisfied with your sentimental life?  
Are you mad?  
Are you jealous?  
Are you wise?  
Have you understood all the questions?  
Are you excessive?  
Are you prudent?  
Are you tortured?  
Are you honest?  
Are you serious?  
Are you calm?  
Are you kind?  
Are you often subject to feelings of insecurity?  
Are you optimistic?  
Are you optimistic about your future?  
Are you optimistic about the future of those around you?  
Are you optimistic about the future of the planet?  
Are you scientific?  
Are you melancholic?  
Are you gloomy?  
Are you proud?

Are you frustrated?  
Are you discouraged?  
Are you depressed?  
Are you stressed?  
Are you worried?  
Are you sporty?

**... compared to those around you ?**

Compared to the people around you, are you more, less, or equally intelligent?

Compared to the people around you, are you more, less, or equally optimistic about the future of those around you?  
Compared to the people around you, are you more, less, or equally optimistic about the future of the planet?

### **For the third-world**

Do you feel safe and secure?  
If no, would you like to live in a society that guaranteed your security?  
If yes, how could society guarantee your security?  
Do you have access to drinking water whenever you want?  
If no, would you like to have guaranteed access to drinking water?  
Do you have access to food whenever you want?  
If no, would you like to have guaranteed access to food?  
If yes, what sort of food?  
Do you have access to healthcare?  
If no, would you like to have guaranteed access to healthcare?  
If yes, what healthcare services are required?  
Do you (and your community) have access to education?  
If no, would you like to have guaranteed access to education?  
If yes, what would you like to learn? What would you like your community to learn?  
Do you have access to electricity?  
If no, would you like guaranteed access to electricity?  
Do you have a place to live?  
If no, would you like a place to live?  
If yes, where? And what sort of place, of what size?  
Do you have a bed to yourself?  
If no, would you like your own bed?  
Do you have your own bedroom?

If no, would you like to have a bedroom to yourself?

Do you have a telephone?

If no, would you like a telephone?

Do you have access to toilets?

If no, would you like access to toilets?

## **End**

Approximately what percentage of questions would you have answered differently had you filled in this questionnaire another day?

Approximately what percentage of questions would you have answered differently had you filled in this questionnaire in previous years?

Have you lied during this questionnaire?

Have some of the questions shocked you?

If yes, were they the questions about sexuality?

Do you approve the concept and approach of this questionnaire?

What do you think of this questionnaire?

Would you take part in another, similar questionnaire in the future?

What is your favorite question in this questionnaire?

Write whatever you want here... especially any comments about the questionnaire
